Date	Time	Session	Speaker	CCA Pillar	Specialty		# of Eligible Credits
					Sustainability	Precision Ag	
Thursday	9:00-9:45 AM	Sustainability as a Commodity: Getting to the Root of Why We Strip-Till	Ben Pederson	Professional Development	✓		0.5
	9:50-10:50 AM	It's Alive! Connecting the Conservation Dots to Keep Your Strip-Tilled Soils Thriving	Frank Gibbs	Soil & Water Management	✓		1
	11:00-12:00	Class 1) Starting Out in Strip-Till: An Economic, Efficient Approach	Seth Wenzel	Crop Management		✓	1
		Class 2) Cracking the Cover Crop Code: Mixes, Methods & Mistakes	Tom Cotter	Crop Management	✓		1
		Class 3) Crunching the Numbers on Nutrient Efficiency in Strip-Till.	Brian Herbek	Nurtient Management	✓		1
		Class 4) Strip-Tilling Soybeans: Managing Variables to Maximize Yields	John Gaska	Crop Management	✓		1
	3:30-4:30 PM	Class 5) Exploring the Opportunities & Obstacles of an Organic Strip-Till System	Mike Shuter	Crop Management	✓		1
		Class 6) Testing Tillage Intensity: Learning from a Less is More Mindset	Emerson Nafziger	Crop Management	✓		1
		Class 7) Ready, Set, Strip-till: Proving First-Year Payback	Monte Bottens	Crop Management	✓		1
		Class 8) 60-Inch Strip-Till: The Good, the Bad & the New	Bob Recker	Crop Management	✓		1
	6:15-7:45 PM	Dinner Talk: Sensing an Evolution in How Data Drives Strip-Till Solutions	Ray Asebedo	Nurtient Management		✓	1
Friday	7:50-8:45 AM	Breakfast Talk: Changing the Production Landscape with Smarter Strip-Till Practices	Jeff Mitchell	Crop Management	✓		1
	9:00-10:00 AM	Class 9) Calculating Cover Crops ROI: Bankable Benefits in Strip-Till	Matt Alford	Soil & Water Management	✓		1
		Class 10) A Strength in Numbers Solution to Strip-Till Soil Health	Frank Gibbs	Soil & Water Management	✓		1
		Class 11) Applying an Agronomic Eye to Strip-Till Equipment Evolutions	Steve Tesarik	Crop Management	✓		1
		Class 12) Success Through Adversity: Tips for High-Yielding Strip-Till Corn	Josh Koehn	Crop Management	✓		1
	10:15-11:00 AM	How Well is Your Strip-Tilled Soil Functioning?	Stephanie McLain	Soil & Water Management	✓		0.5
	11:10-11:55 AM	Precision Cover Crop Seeding & Nitrogen Management: A Winning Combination	John Pike	Nurtient Management		✓	0.5
Friday	1:00-4:00 PM	<i>Post-Conference Workshop</i> - Seeing is Believing: A Visual Validation of Soil Health **This special workshop is an additional \$99**	Frank Gibbs	Soil & Water Management	✓		3
