"I'll Fully Guarantee Your Satisfaction!"

The editors of *Strip-Till Farmer* and *No-Till Farmer* have covered the practice of strip-tillage for 4 decades, making us the leading authority on this important conservation-tillage practice. I'm confident with our experienced background that we can find the best strip-tillers, consultants, university researchers and other strip-till experts that can deliver dozens of great ideas, tips, techniques and strip-till strategies.

That's why if this highly intensive, information-filled strip-tillage conference isn't everything we promise, write me and I'll send you a full 100% refund. Take up to 6 months to decide so that you can take time to measure your return on investment from this unique learning experience.

Besides the unbiased, farm-proven strip-till information shared in *Strip-Till Farmer*, *No-Till Farmer* and the *Conservation Tillage Guide* and our *Strip-Till Farmer* web site, this 7th annual National Strip-Tillage Conference is just another way for us to help you continue your strip-till education – not just through the talented, informative general session speakers and classroom presenters, but with the valuable networking opportunities gained through the Strip-Till Roundtables and one-on-one hallway conversations with farmers and suppliers.

This unsurpassed guarantee ought to convince you that we're worthy of your trust and attendance at the 7th annual National Strip-Tillage Conference on August 6-7, 2020.

See you in Omaha!
